

The word of the Lord proclaims in His Holy Scriptures:

3rd Book of John, v. 2 “ Beloved, I wish above all things that thou mayest prosper and be in health, even as thy soul prospereth.”

It is truly his desire to see you set free. To walk in the destiny that God has ordained for your life. It is time you came out of that dry place and into a place of freedom and victory. You do not have to continue to be oppressed. We all have a particular purpose, let me help you find yours.

Mission Statement

Introduction

I strongly believe there are root causes to issues in our lives which leave us wounded, oppressed, or just plain sick.

If these roots have not been identified and destroyed early in our life, they can leave us in a state of hopelessness, as well as helplessness. Our spirit becomes sick and our body can follow suit.

Isn't it about time for you to be set free? Do you want to be truly delivered from inner/outer pain?

I do not profess to being a healer, however, I do believe and have experienced what the word of God says in the "Holy Bible":

Psalms 34, v 18: The Lord is nigh (close) unto them that are of a broken heart and saveth (delivers) such as be of a contrite (forgiving) spirit.

King James Version
